

The CSG *Family Tree*

AFFILIATED ORGANIZATIONS

CSG is the only nonpartisan policy organization that represents all three branches of government. As such, we count local and state leaders from the judicial, legislative and executive branches of government from across the nation as part of the CSG family. But our family tree extends beyond government officials to 10 national organizations of state leaders. CSG is proud to partner with organizations representing emergency management personnel, probation and parole officials and many more. CSG Affiliates work in specialized areas and allow CSG to have a deeper impact nationwide. In turn, CSG offers a vast network of members and services, as well as a platform to present their issues to a wider audience.

Big 7

CSG is a proud member of a network of nonpartisan, nonprofit organizations that represent state and local governments, known as the Big 7. In addition to CSG, the group is comprised of the following organizations.

INTERNATIONAL CITY/COUNTY MANAGEMENT ASSOCIATION (ICMA)

NATIONAL ASSOCIATION OF COUNTIES (NACO)

NATIONAL LEAGUE OF CITIES (NLC)

NATIONAL CONFERENCE OF STATE LEGISLATURES (NCSL)

NATIONAL GOVERNORS ASSOCIATION (NGA)

UNITED STATES CONFERENCE OF MAYORS (USCM)

Together, these organizations advocate for state and local governments at the federal level, speaking with a collective voice to strengthen the critical role of states and municipalities in our federalist system of governance and to advance solutions to the challenges we share. The Big 7 national organizations are members of the State and Local Legal Center, or SLLC. The SLLC files amicus curiae briefs in support of states and local governments in the U.S. Supreme Court and is a resource to states and local governments on the Supreme Court.
