Resolution No. 2002-02

Nuclear Research and Production

Introduced By CSG-WEST Energy Committee

WHEREAS, the Energy Committee of Council of State Government-*WEST* (CSG-*WEST*) recognizes the importance of nuclear power today and its continued role in providing reliable energy in the future;

NOW, THEREFORE, BE IT RESOLVED that CSG-*WEST* recommends and supports the increased federal funding resources for (1) increased scientific research to improve the efficiency of handling nuclear waste, including the transportation of waste, and enhancement of energy recovery from waste and (2) increased scientific research into nuclear energy production through safer, cleaner power plants.

CSG-*WEST* understands and recommends that increased scientific research can be conducted at existing federal facilities.

*Adopted by the CSG-WEST Executive Committee on July 19, 2002
Assembled in Annual Meeting in Lake Tahoe, Nevada.*
