Dear Chair Spanberger and Ranking Member LaMalfa:

In advance of the Subcommittee's February 2, 2022, hearing on A 2022 Review of Farm Bill Conservation Programs, attached please find four Western Governors' Association (WGA) policy resolutions:

- WGA Policy Resolution 2022-06, Compensatory Mitigation;
- WGA Policy Resolution 2021-04, Species Conservation and the Endangered Species Act;
- WGA Policy Resolution 2021-03, National Forest and Rangeland Management; and
- WGA Policy Resolution 2019-06, Biosecurity and Invasive Species Management.

These policy resolutions communicate Governors' perspectives on ecological challenges in western states, federal voluntary conservation programs, and opportunities to promote cohesive cross-boundary land management efforts across public and private lands.

Please contact me if you have any questions or require further information. In the meantime, with warm regards and best wishes, I am
